

CONFIDENTIAL

3 APR 1979

OC-M79-203

DD/A Registry**File** *Communications*MEMORANDUM FOR: Director, National Intelligence Tasking Office
Collection Tasking Staff

THROUGH : Deputy Director for Administration

25X1 FROM :
Director of Communications25X1 SUBJECT : Request for Distinct Message Address
Group

1. As requested in your memorandum dated 7 March 1979, the cable address designator CTS-NITO has been established for the exclusive use of your office.

25X

2. Arrangements have been made to have the cable address CTS-NITO and its associated communications routing indicator published in the U.S. Government's General Services and Special Compartmented Information message routing publications. CTS-NITO will be available for use throughout the community beginning Monday, 9 April 1979.

25X1

3. Any questions you may have concerning the use of CTS-NITO in regard to its application on messages may be directed to
OC, on secure extension
